Subpart F—Small Cities Program

SOURCE: 62 FR 62914, Nov. 25, 1997, unless otherwise noted.

§ 570.420 General.

(a) *HUD administration of nonentitlement CDBG funds*. Title I of the Housing and Community Development Act of 1974 permits each State to elect to administer all aspects of the Community Development Block Grant (CDBG) Program annual fund allocation for the nonentitlement areas within its jurisdiction. This subpart sets forth policies and procedures applicable to grants for nonentitlement areas in States that have not elected, in a manner and time prescribed by the Secretary, to administer the CDBG Program. States that elected to administer the program after the close of fiscal year 1984 cannot return administration of the program to HUD. A decision by a State to discontinue administration of the program would result in the loss of CDBG funds for nonentitlement areas in that State and the reallocation of those funds to all States in the succeeding fiscal year.

(b) *Scope and applicability*. (1) This subpart describes the policies and procedures of the Small Cities Program which apply to nonentitlement areas in States where HUD administers the CDBG Program. HUD currently administers the Small Cities Program in only two States—New York and Hawaii. This subpart principally addresses the requirements for New York, and §§ 570.429 and 570.430 identify special procedures applicable to Hawaii.

(2) The allocation of formula CDBG funds for use in nonentitlement areas of Hawaii and New York is as provided in subpart A of this part. The policies and procedures set forth in the following identified subparts of this part 570 apply to the HUD-administered Small Cities Program, except as modified or limited under the provisions thereof or this subpart:

- (i) Subpart A—General Provisions;
- (ii) Subpart C—Eligible Activities;
- (iii) Subpart J—Grant Administration;
- (iv) Subpart K—Other Program Requirements; and

(v) Subpart O—Performance Reviews.

(c) *Public notification requirements.* (1) Section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) contains a number of provisions that are designed to ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. All competitive grants in the HUD-administered Small Cities Program in New York are affected by this legislation, and the requirements identified at 24 CFR part 4 apply to them. Imminent threat grants under § 570.424 and section 108 repayment grants under § 570.432 are not affected by section 102 as they are not competitive grants.

(2) The Hawaii HUD-administered Small Cities Program is not subject to section 102, since the funds are not distributed in a competitive manner.

(d) *Abbreviated consolidated plan.* Applications for the HUD-administered Small Cities Program which contain housing activities must include a certification that the proposed housing activities are consistent with the applicant's consolidated plan as described at 24 CFR part 91.

(e) *National and primary objectives.* (1) Each activity funded through the Small Cities Program must meet one of the following national objectives as defined under the criteria in § 570.208. Each activity must:

- (i) Benefit low- and moderate-income families;
- (ii) Aid in the prevention or elimination of slums or blight; or
- (iii) Be an activity which the grantee certifies is designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs.

(2) In addition to the objectives described in paragraph (e)(1) of this section, with respect to grants made through the Small Cities Program, not

less than 70 percent of the total of grant funds from each grant and Section 108 loan guarantee funds received under subpart M of this part within a fiscal year must be expended for activities which benefit low- and moderate-income persons under the criteria of §§ 570.208(a), or 570.208(d) (5) or (6). In the case of multiyear plans in New York State approved in response to NOFAs published prior to calendar year 1997, not less than 70 percent of the total funding for grants approved pursuant to a multiyear plan for a time period of up to 3 years must be expended for activities which benefit low- and moderate-income persons. Thus, 70 percent of the grant for year 1 of a multiyear plan approved in response to NOFAs published prior to calendar year 1997 must meet the 70 percent requirement, 70 percent of the combined grants from years 1 and 2 must meet the requirement, and 70 percent of the combined grants from years 1, 2, and 3 must meet the requirement. In determining the percentage of funds expended for such activity, the provisions of § 570.200(a)(3) (i), (iii), (iv), and (v) shall apply.

(Approved by the Office of Management and Budget under control number 2506-0060).

§ 570.421 New York Small Cities Program design.

(a) *Selection system*—(1) *Competitive applications.* Each competitive application will be rated and scored against at least the following factors:

- (i) Need-absolute number of persons in poverty as further explained in the NOFA;
- (ii) Need-percent of persons in poverty as further explained in the NOFA;
- (iii) Program Impact; and
- (iv) Fair Housing and Equal Opportunity, which may include the applicant's Section 3 plan and implementation efforts with respect to actions to affirmatively further fair housing. The NOFA described in paragraph (b) of this section will contain a more detailed description of these factors, and the relative weight that each factor will be given.

(2) In addition HUD reserves the right to establish minimal thresholds
